

WHY LAKEWOOD?

a place to be your best

WHY LAKEWOOD?

Independent, growing, respected, modern – these are words that aren't often used to describe rural healthcare in today's world, but they are exactly what you will find at Lakewood Health System.

Ask the providers and staff who work here and you'll hear first-hand there is something special about this place. Dig even deeper and you will find a culture and brand that is not only succeeding but thriving. With patient satisfaction scores consistently higher than both state and national averages, Lakewood possesses an unceasing commitment to providing great patient care.

A lot of systems claim to be different, but are they different in ways that matter to you? We are thrilled you're taking the time consider Lakewood. We think you are going to like what you see.

2021 Top Workplaces USA from Energage

Winners are determined based on employee feedback gathered by engagement surveys.

AT A GLANCE

Lakewood is an independent, rural healthcare system comprised of a 25-bed Critical Access Hospital, five primary care clinics, senior and assisted living facilities, and a geriatric inpatient behavioral health unit. Lakewood primarily serves a five-county area in central Minnesota.

- Pathology
- Psychiatry
- Pulmonology

LIFE OUTSIDE OF WORK

Is there such a thing as work-life balance? We believe the answer is ABSOLUTELY! In fact, recent data indicates Lakewood has one of the lowest provider burnout rates anywhere in the state of Minnesota. We understand the value of "down-time" and do all we can to ensure the job satisfaction of our providers.

DISCOVER STAPLES

The city of Staples and the surrounding communities take great pride in this place they call home. If you're looking for a progressive, welcoming place to start a family, a thriving medical practice without the hustle and bustle of a larger city, and a community into which you can settle and eventually retire, Lakewood just might be the perfect fit.

- Located in the heart of lakes county near the intersection of highways 10 and 210
- Minutes from a large lake resort community
- Dream-home opportunities right on the water
- Nationally-recognized schools (K-12 and college)
- Active arts and theatre community
- Community center with fitness center, gym, and pool
- Thriving business communities
- Award-winning healthcare
- Easy access to Minneapolis and Fargo and their international airports (2.25 hours to the Twin Cities; 2 hours to Fargo)
- To discover more about Staples, visit discoverstaplesmn.org

A Place to Live, Work and Play

- Literally hundreds of area lakes for recreation and relaxation
- Five state parks within a one-hour drive
- Hundreds of miles of hiking and biking trails
- Groomed snowmobile and cross country ski trails
- Downhill skiing and snowboarding opportunities
- Several nationally acclaimed golf courses a short drive away
- Regional music festivals
- Many diverse community organizations and clubs
