SOURCE: Financial Services

Consistent with its mission to provide high quality health and wellness services for the community, Lakewood Health System is committed to providing financial assistance to uninsured and underinsured individuals who are in need of emergency or medically necessary treatment.

Eligible Services:

Services eligible for financial assistance include emergency urgent care, services deemed medically necessary by Lakewood Health System, and in general, care that is non-elective and needed in order to prevent death or adverse effects to the patient's health.

Patients who are uninsured or underinsured and have a household income between 120% and 240% of Federal Poverty Guidelines may receive discounted care. Patients at 110% of Federal Poverty Guidelines or below may qualify for a 100% discount. Please call 218-894-8457 to discuss the Federal Poverty Guidelines.

Uninsured patients who do not meet these income requirements will receive a discount on gross charges for medically necessary and emergency care that they receive to allow charges to not exceed the amounts generally billed.
